- Global Service Network

The ARDEX Group

Family-owned and headquartered in Witten, Germany, ARDEX has been an innovation leader for speciality building products for more than 60 years. With a focus on strong, uncompromising product quality, service excellence, in-depth training and expert technical support, ARDEX ensures consistent quality and maximum responsiveness to local market needs in more than 50 countries around the globe.

Evaluate. Specify. Supply.

1 Subfloor Preparation

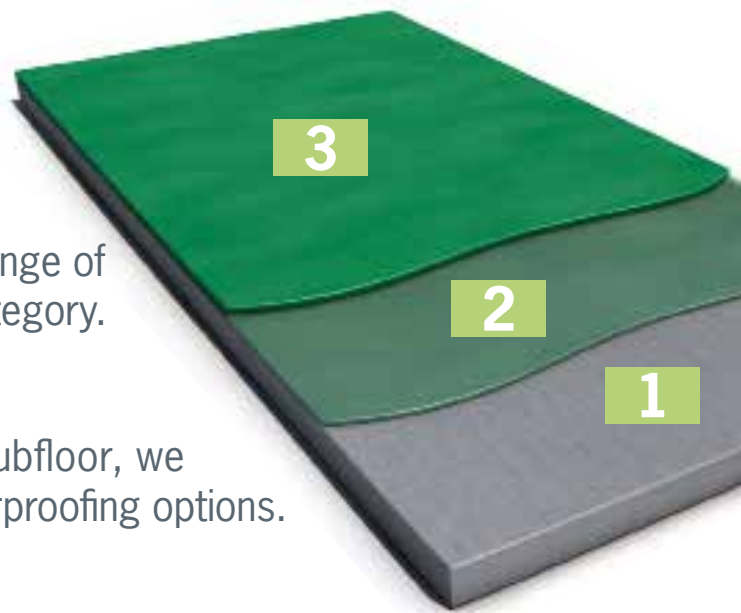

Correct subfloor preparation is essential when creating long lasting flooring systems. ARDEX offers a full range of products within the Concrete Repair category.

2 Priming

For proper connection of overlay to subfloor, we also provide moisture control and waterproofing options.

3 Overlay

Ensuring required functional properties. See our system portfolio on the next page.

INAPPROPRIATE Subfloor

SHOT BLASTED concrete

GRINDED concrete surface

DEMAND TYPE

Mechanical Stress

(static and dynamic loads; abrasion)

Chemical Stress

(acids / alkalis / solvents, oils, cleaning agents)

Temperature

(heat / freeze; shock)

REQUIREMENTS

Safety

(anti-slip, conductivity, fire resistance, non VOC)

Aesthetic

(Surface appearance, flatness and finish, design / colour, etc)

Comfort and Care

(ease of clean, hygiene / antimicrobial, fast installation and repair, etc)

Solutions for EVERY Industrial Environment

- Food and Beverage
- Automotive and Aerospace
- Parking and Transportation
- Pharma and Healthcare
- Chemical Processing
- Warehousing and Logistics
- Engineering and Manufacturing
- Retail
- Education / Leisure / Office
- Electronics / Anti-Static

Technology Portfolio

ARDEX provides systems in a wide range of colors depending on individual project requirements

	Epoxy	Polyurethane	PU-Cement	Cement system	Industrial Tiling Full System layup
Impact resistance	good	very good	excellent		
Flexibility	low	excellent	low		
Temperature resistance	moderate (~55°C)	moderate (~55°C)	excellent (~120°C)		
Acids	good	very good	excellent		
Alkalis	very good	good	excellent		
Solvents	good	low	very good		
				Wear-improving by densifier/aggregate option	Waterproofing and epoxy grouting option

Particular challenges	MMA	Acrylics	Polyurea	Polyaspartic

Support at Every Stage

When specifying or installing ARDEX products, you can rely on our expert team for ongoing support at every stage of the process, from rapid response, to specification writing, to installation visits and on-site testing. Our purpose-built ARDEX Academy enables us to offer training to all parties involved with an ARDEX product, from the client through to the contractor, ensuring total confidence in the specification and subsequent on-site application.

YOUR BENEFITS:

- ✓ International Product Selection Assistance
- ✓ International Warranty Program
- ✓ Installer Recommendations and Training
- ✓ Specification Assistance

Several millions of m² of ARDEX industrial flooring systems installed worldwide:

COCA-COLA IKEA YAMAHA SEAT
DISNEY PHILIPS NESTLE
VOLVO DOMINO'S PIZZA PORSCHE
HUAWEI PEPSI HONDA CATERPILLAR
MERCEDES-BENZ
